Alexandria, Virginia 22313-1450

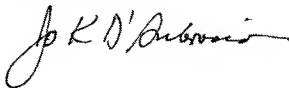

Dear Examiner Conley:

In response to the restriction requirement mailed December 22, 2006, Applicant has been given the alternative of electing Invention I (Claims 1-43) for a method of producing a disinfecting solution or Invention II (Claims 44-51) drawn to a system for producing a disinfecting solution.

Based upon the Examiner's requirement, Applicant herewith elects Invention I drawn to a method of producing a disinfecting solution, Claims 1 – 43, without traverse, without waiving any other rights.

Applicant respectfully requests a telephone interview with the Examiner to resolve any questions related to this response.

Respectfully submitted,

January 8, 2007
